Paxman Introduction to Scalp Cooling

This information from Paxman explains what scalp cooling is and how its cold cap and scalp cooling system works. It also provides information to help you decide if scalp cooling is right for you.

Visit www.msk.org/pe/paxman-intro-scalp-cooling to see this resource.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
