Paxman Scalp Cooling Haircare Guide

This information from Paxman explains how to get your hair ready before scalp cooling. It also explains how to care for your hair during chemotherapy treatment.

Visit www.msk.org/pe/paxman-haircare-guide to see this resource.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
