Cancer Straight Talk: The Future of Cancer Drugs: A Conversation with Dr. Charles Sawyers (Podcast)

Twenty years ago, Dr. Charles Sawyers played a pivotal role in the development of a game-changing cancer drug that has gone on to save millions of lives and open doors for research and innovation. In this episode, Dr. Diane Reidy-Lagunes talks with Dr. Sawyers about what's next in the field of cancer pharmaceuticals. Is another silver bullet on the horizon?
