Quitting Smoking with MSK's Tobacco Treatment Program

Please visit www.mskcc.org/pe/tobacco_treatment to watch this video.

This video explains why quitting smoking is important for people who have cancer and gives an overview of how MSK's Tobacco Treatment Program can help you quit.

If you have any questions, contact a member of your healthcare team directly. If you're a patient at MSK and you need to reach a provider after 5:00 PM, during the weekend, or on a holiday, call 212-639-2000.
