Surgery Locations

This information explains surgery locations at MSK.

Your surgery will be done at either Memorial Hospital, the Josie Robertson Surgery Center (JRSC), or MSK Monmouth. Where you have your surgery depends on the type of surgery you're having and how long we expect your recovery to take.

For general information about all our locations, including directions and amenities, please visit www.mskcc.org/locations

We'll contact you 7 days before your surgery to let you know your location. To learn more, read the section called "MSK MyChart."
