Surgery Locations

This information explains surgery locations at Memorial Sloan Kettering (MSK).

Your surgery will be done at either Memorial Hospital, the Josie Robertson Surgery Center (JRSC), or MSK Monmouth. Where you have your surgery depends on the type of surgery you're having and how long we expect your recovery to take.

We will contact you 7 days before your surgery to let you know your location. For more information, read the section called "MyMSK."

Surgeries at Memorial Hospital

All types of surgeries are done at Memorial Hospital. You'll have your surgery at the hospital if we expect you'll need to stay with us for a few days to recover or based on your surgeon's schedule. For more information about your surgery at Memorial Hospital, read the resource *Your Surgery at MSK's Memorial Hospital* (www.mskcc.org/pe/mainhospital2).

Memorial Hospital is located at:

1275 York Ave.
(between East 67th and East 68th streets)

Surgeries at the Josie Robertson Surgery Center (JRSC)

The JRSC is a separate facility where our surgeons do certain outpatient surgeries. The JRSC is designed to get people back home as quickly as possible after surgery. The same expert surgeons who work at Memorial Hospital also work at the JRSC, and you'll get the same MSK care. For more information about your surgery at JRSC, read the resource *Your Surgery at MSK's Josie Robertson Surgery Center* (www.mskcc.org/pe/jrsc).

MSK Monmouth is an ambulatory care and surgery center in Middletown, New Jersey where our surgeons perform certain outpatient surgeries. MSK Monmouth also offers other services, such as chemotherapy, radiation therapy, and rehabilitation (rehab). The same expert surgeons who work at Memorial Hospital also work at MSK Monmouth, and you'll get the same MSK care. MyMSK

We will send you information about your surgery location through our patient portal, MyMSK. You can use MyMSK to send and receive messages from your care team, find your medical and appointment information, and more. If you don't have a MyMSK account, you can sign up by going to my.mskcc.org

- To sign up for a MyMSK account, you will need your enrollment ID. You can find this on your printed appointment reminder. If you don't have one, call your doctor's office or contact the Help Desk at mymsk@mskcc.org or 646-227-2593.
- You will also need your 8 digit medical record number. You can find it on an official MSK document, such as an appointment reminder or bill. It's usually at the top right hand corner. If you don't have one of these documents, call your doctor's office.
- For more information about signing up for a MyMSK account, watch our video *How to Enroll in MyMSK: Memorial Sloan Kettering's Patient Portal* (www.mskcc.org/pe/enroll_mymsk).

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
