About Lymphedema of the Legs

This video explains what lymphedema is and how you can reduce your risk of developing lymphedema of the legs.

Please visit www.mskcc.org/pe/about-lymphedema-legs to watch this video.

This video was published in May 2015. It was last reviewed for accuracy in September 2026.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
