How to do Arm and Shoulder **Exercises With and Without Theraband**

This video will show you how to do several arm exercises to help you improve the strength and endurance in your arms and prevent stiffness.

Please visit www.mskcc.org/pe/arm-shoulder-exercises to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
