

PATIENT & CAREGIVER EDUCATION

Guidelines for Cleaning Your AEROBIKA® OPEP device

This video from Monaghan shows how to clean your Aerobika OPEP (oscillating positive expiratory pressure) device.

Please visit www.mskcc.org/pe/clean_aerobika to watch this video.

If you have any questions, contact a member of your care team directly. If you're a patient at MSK and you need to reach a provider after 5 p.m., during the weekend, or on a holiday, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
