

## PATIENT & CAREGIVER EDUCATION

# Guidelines for Cleaning Your AEROBIKA® OPEP Device

This video from Monaghan shows how to clean your Aerobika OPEP (oscillating positive expiratory pressure) device.

Visit [www.msk.org/pe/clean\\_aerobika](http://www.msk.org/pe/clean_aerobika) to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit [www.mskcc.org/pe](http://www.mskcc.org/pe) to search our virtual library.
