Guidelines for How to Use Your AEROBIKA® OPEP Device

This video from Monaghan shows how to use your Aerobika OPEP (oscillating positive expiratory pressure) device.

Visit www.msk.org/pe/use_aerobika to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
