How to Change the Stopcock and Draining System on Your Biliary or Abscess Catheter

This video will demonstrate how to change the stopcock and drainage system on your biliary or abscess catheter.

Please visit www.mskcc.org/pe/change_biliary to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
