How To Give a Penile Injection

In this video, we'll show how to give a penile injection. A penile injection is also called an intracavernosal injection (ICI).

Please visit www.mskcc.org/pe/penile-injection-video to watch this video.

For written instructions, read *Penile Injection Therapy* (www.mskcc.org/pe/penile-injection-therapy).

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
