

PATIENT & CAREGIVER EDUCATION

How to Manage Constipation During Chemotherapy

This video explains why you may have trouble having a bowel movement (pooping), which is called constipation, what you can do to prevent it, and when you should call your healthcare provider.

Please visit  www.mskcc.org/pe/chemo_constipation to watch this video.

If you have any questions, contact a member of your care team directly. If you're a patient at MSK and you need to reach a provider after 5 p.m., during the weekend, or on a holiday, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
