InfuBlock™ CADD®-Solis HPCA Pain Management Pump (Delayed Start)

This information from InfuSystem® explains what to do and expect while you have a CADD-Solis HPCA pain management pump. It's meant for people who will not start getting medicine through their pain until after they leave the hospital.

Visit https://www.mskcc.org/pe/cadd-solis-hpca-delayed to see this resource.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
