PATIENT & CAREGIVER EDUCATION

# About Intrathecal Pumps

In this video, we'll explain what an intrathecal pump is and why you might need one. We'll also explain the parts of an intrathecal pump.

Please visit [www.mskcc.org/pe/intrathecal-part-1](http://www.mskcc.org/pe/intrathecal-part-1) to watch this video.

Visit *About the Surgery To Place Your Intrathecal Pump*

([www.mskcc.org/pe/intrathecal-part-2](http://www.mskcc.org/pe/intrathecal-part-2)) and *What To Expect While You Have an Intrathecal Pump* ([www.mskcc.org/pe/intrathecal-part-3](http://www.mskcc.org/pe/intrathecal-part-3)) to watch parts 2 and 3 of this video series.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit [www.mskcc.org/pe](http://www.mskcc.org/pe) to search our virtual library.
