

PATIENT & CAREGIVER EDUCATION

About Intrathecal Pumps

In this video, we'll explain what an intrathecal pump is and why you might need one. We'll also explain the parts of an intrathecal pump.

Please visit www.mskcc.org/pe/intrathecal-part-1 to watch this video.

Visit *About the Surgery To Place Your Intrathecal Pump* (www.mskcc.org/pe/intrathecal-part-2) and *What To Expect While You Have an Intrathecal Pump* (www.mskcc.org/pe/intrathecal-part-3) to watch parts 2 and 3 of this video series.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
