MANAGING CANCER-RELATED FATIGUE

Managing Cancer-Related Fatigue

This video will help you manage fatigue (feeling more tired and weak than usual) from your cancer treatment.

Please visit www.mskcc.org/cancer-care/patient-education/video/managing-related-fatigue-01 to watch this video.

If you have any questions, contact a member of your healthcare team directly. If you're a patient at MSK and you need to reach a provider after 5:00 p.m., during the weekend, or on a holiday, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
