

PATIENT & CAREGIVER EDUCATION

Managing Your Blood Pressure after Allogeneic Stem Cell Transplant

This video explains what you can do to control your blood pressure after your allogeneic stem cell transplant.

Please visit
www.mskcc.org/pe/metabolic_syndrome to
watch this video.

If you have any questions, contact a member of your care team directly. If you're a patient at MSK and you need to reach a provider after 5 p.m., during the weekend, or on a holiday, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
