# Managing Your Blood Sugar after Allogeneic Stem Cell Transplant

This video explains what you can do to control your blood sugar after your allogeneic stem cell transplant.

Please visit www.mskcc.org/pe/blood-sugar-allogeneic to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
