PATIENT & CAREGIVER EDUCATION

# Managing Your Blood Sugar after Allogeneic Stem Cell Transplant

This video explains what you can do to control your blood sugar after your allogeneic stem cell transplant.

Please visit [www.mskcc.org/pe/metabolic\\_syndrome](http://www.mskcc.org/pe/metabolic_syndrome) to watch this video.

If you have any questions, contact a member of your care team directly. If you're a patient at MSK and you need to reach a provider after 5 p.m., during the weekend, or on a holiday, call 212-639-2000.

For more resources, visit [www.mskcc.org/pe](http://www.mskcc.org/pe) to search our virtual library.
