Managing Your Child's Tracheostomy

This video from Providence Health Care shows how to manage your child's tracheostomy.

Visit www.msk.org/pe/managing_trach to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
