PATIENT & CAREGIVER EDUCATION

Philips Mobile Cardiac Telemetry – MCOT Lead wire adapter patient education video

This video explains how to use the lead wire adapter for the Philips Mobile Cardiac Telemetry – MCOT patch. It explains how to start using the monitoring service and record an event. It also has tips for how to complete your monitoring service.

Visit www.msk.org/pe/mcot-lead-wire to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
