Mouth Care During Your Cancer Treatment

This video explains how to care for your mouth and manage mouth pain during your cancer treatment. In this video, the word “you” means either you or your child.

If you prefer written information, read our resource *Mouth Care During Your Cancer Treatment* (www.mskcc.org/pe/mouth-care).

Please visit www.mskcc.org/pe/mouth-care-video to watch this video.

This video was published in October 2019. It was last reviewed for accuracy in May 2026

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you’re not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
