Memorial Sloan Kettering Cancer Center

PATIENT & CAREGIVER EDUCATION

MSK-IMPACT

This video describes what the MSK-IMPACT test is. It will also help you decide if you want to take part in research we're doing (IRB 12-245) to learn why some people get cancer.

Please visit www.mskcc.org/pe/msk-impact to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
