PATIENT & CAREGIVER EDUCATION

MSK-IMPACT

This video describes what the MSK-IMPACT test is. It will also help you decide if you want to take part in research we’re doing (IRB 12-245) to learn why some people get cancer.

Please visit www.mskcc.org/pe/msk_impact to watch this video.

If you have any questions, contact a member of your care team directly. If you're a patient at MSK and you need to reach a provider after 5 p.m., during the weekend, or on a holiday, call 212-639-2000.
