Nutrition Before and During Treatment for Head and Neck Cancer

This video will help you learn how to get enough nutrition before and during radiation treatment for head and neck cancer.

Please visit www.mskcc.org/pe/hn-nutrition-before-radiation to watch this video.

This video was published in December 2023. It was last reviewed for accuracy in July 2026

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
