Rectal Spacers and Fiducial Markers for Prostate Radiation Therapy

This video from PRIMR explains what to know and expect if you are undergoing radiation therapy with rectal spacers and fiducial markers.

Visit www.msk.org/pe/primr-rectal-spacers to see this resource.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
