Tips for Talking with Your Healthcare Team

This video will provide you with tips from MSK patients and caregivers about talking with your healthcare team.

Please visit www.mskcc.org/pe/tips-talking-care-team to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
