PATIENT & CAREGIVER EDUCATION

When Should You Get Screened for Colorectal Cancer?

This video has information about the guidelines for when to get colorectal cancer screening, what the test is like, and why it's important to get screened.

Please visit www.mskcc.org/cancer-care/patient-education/video/when-should-you-get-screened-for-colorectal to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
