What to Know If You Are Undergoing Chemotherapy and Have a Pet

This information from CancerCare explains what to know if you have a pet and are getting chemotherapy.

Visit www.msk.org/pe/cancercare-pet-chemo to see this resource.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
