Memorial Sloan Kettering Cancer Center

PATIENT & CAREGIVER EDUCATION

Young Adult Caregiver Support Group

This is a live, online support and education group for young adult caregivers (ages 18-45) of adults undergoing treatment at MSK. It offers the opportunity to discuss the stresses, challenges, and rewards of providing care for someone with cancer. Discussions are led by social workers. The group meets the first and third Tuesdays of each month from 5:30 p.m. to 6:30 p.m. A Zoom link will be provided after registration.

Please note that this group is for young adults who are caregiving for adult patients. Caregivers of pediatric patients can register for the MSK Kids Caregiver Support Group.
