PATIENT & CAREGIVER EDUCATION

Young Adult Long Island Summer Scoop

Join the MSK AYA Program for our Long Island Summer Scoop Social- a fun and welcoming event created specifically for young adults ages 18–39 at MSK Commack. Enjoy a build-your-own sundae bar, lawn games, music, and time to connect with other young adults navigating cancer and survivorship. Whether you're currently in treatment, recently finished, or somewhere in between, this event is a chance to step away from the stress of cancer care and simply enjoy a summer afternoon together. Please register for directions.

Audience:
This program is for MSK patients ages 18-39.
