

PATIENT & CAREGIVER EDUCATION

Young Adult Patient Discussion Session (In Person)

We want to hear from you! In recognition of Young Adult Cancer Awareness Week, you're invited to join us for a discussion session. This will be a space to share about your experience as a young adult patient at MSK. Your input will help inform future events and programming.

Note – this session will be hosted in person in The Teen & Young Adult Lounge located in Memorial Hospital. Directions will be shared in advance with those who register.

Audience:

Open to MSK patients ages 18-49 only.
