

PATIENT & CAREGIVER EDUCATION

Young Adult Workshop: Health Insurance & Finances

Join the Patient Financial Services (PFS) leadership team for a panel discussion on things you should know related to your healthcare costs. The team will review and translate common insurance terms and plan types to empower you to make the best decisions about your individual insurance coverage needs. The panel will also review staff that is available at MSK to help you with your insurance and financial related concerns throughout your treatment journey. Finally, the panel will review information on assistance programs that are available to patients that may be experiencing financial hardship.

Open to patients ages 21-39.
