Your Rights as a Hospital Patient in New York State

This information from New York State's Department of Health explains the rights of each hospital patient under New York State law and the documents that are required to be provided to each patient.

Visit www.health.ny.gov/publications/1449.pdf to read this resource.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
