

PATIENT & CAREGIVER EDUCATION

Your Surgery at MSK's Memorial Hospital

This information explains what you can expect during your surgery at Memorial Hospital, MSK's main hospital. Read this before your surgery so that you know what to do and what to expect. Remember to review the educational resources your nurse gave you.

Before Your Surgery

Note the Time and Place of Your Surgery

A clerk from the Admitting Office will call you after 2 p.m. the day before your surgery. If your surgery is scheduled for a Monday, they'll call you on the Friday before.

The clerk will tell you what time you should arrive at the hospital for your surgery. They will also tell you where to go on the day of your surgery. This will be one of the following locations:

- Presurgical Center (PSC) on the 2nd floor
1275 York Ave.
(between East 67th and East 68th Streets)
M Elevator to 2nd floor
- Presurgical Center (PSC) on the 6th floor
1275 York Ave.
(between East 67th and East 68th Streets)
B elevator to 6th floor
- Admissions Department
Ground Floor (by the Front Desk)
1275 York Ave.

If you don't get a call by 7 p.m., please call 212-639-5014.

The Day of Your Surgery

Where to park

MSK's parking garage is on East 66th Street between York and 1st avenues. If you have questions about prices, call 212-639-2338.

To get to the garage, turn onto East 66th Street from York Avenue. The garage is about a quarter of a block in from York Avenue. It's on the right (north) side of the street. There's a tunnel you can walk through that connects the garage to the hospital.

There are other parking garages on:

- East 69th Street between 1st and 2nd avenues.
- East 67th Street between York and 1st avenues.
- East 65th Street between 1st and 2nd avenues.

What to Expect

Once You're in the Hospital

You will be asked to state and spell your name and date of birth many times. This is for your safety. People with the same or similar names may be having surgery on the same day.

When it's time to change for surgery, you will get a hospital gown, robe, and nonskid socks to wear.

Meet with Your Nurse

You will meet with your nurse before surgery. Your nurse will review all your medications (including patches and creams) with you.

Your nurse may place an intravenous (IV) line into one of your veins, usually in your arm or hand. If your nurse doesn't place the IV, your anesthesiologist will do it later once you're in the operating room.

Meet with Your Anesthesiologist

Your anesthesiologist will:

- Review your medical history with you.
- Ask you if you've had any problems with anesthesia in the past, including nausea or pain.
- Talk with you about your comfort and safety during your surgery.
- Talk with you about the kind of anesthesia (medication to make you sleep during

surgery) you will receive.

- Answer questions you have about your anesthesia.

Information for Family and Friends

- To keep patients and staff safe and healthy during the COVID-19 pandemic, we've made updates to our visitor policy. Visit www.msk.org/visit for more information.

For more information about what to expect on the day your friend or family member is having surgery, read our resource *Information for Family and Friends for the Day of Surgery* (www.mskcc.org/pe/info_family_friends).

After Your Surgery

When you wake up after your surgery, you will be in the Post Anesthesia Care Unit (PACU). Depending on the type of surgery you had, you may spend the night in the PACU, be transferred to your hospital room, or go home.

Before you leave the hospital, your nurse will review your discharge instructions with you.

The day after you go home, a member of your healthcare team will call you to see how you're feeling and answer any questions.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
