ABOUT US

[Our mission, vision & core values](#)

[Leadership](#)

[History](#)

[Equality, diversity & inclusion](#)

[Annual report](#)

[Give to MSK](#)

During a survivorship follow-up visit, your NP will:

perform a physical exam and review your medical history

complete an assessment to see if the cancer has come back

identify, evaluate, and manage any long-term or late effects of cancer and its treatment (both physical and psychological)

discuss methods to prevent new health problems and make health recommendations related to [nutrition](#), [exercise](#), and [quitting tobacco use](#)

recommend appropriate cancer [screening](#) for other cancers
