Ingo K. Mellinghoff, Chair of the Department of Neurology, with a patient.

Your personal treatment team will include neurologists, brain surgeons, and other experts who'll use their skills to customize a plan of care that fits your unique needs. They bring expertise, creativity, and passion to every patient.

Your team also includes neuropathologists, neuropsychologists, and others. By bringing together experts in these highly specialized areas, we offer each person we care for an individualized approach to care.
