## Your Feedback

**In general, what percentage of your patients have you asked about their food situation – whether or not they are eating enough, feel that they have enough money to eat properly, or worry about where their food will come from?**

- ☐ Nearly all
- ☐ More than half
- ☐ About half
- ☐ Less than half
- ☐ Never

**The background information about food security definitions and prevalence rates was helpful.**

- ☐ Strongly disagree
- ☐ Disagree
- ☐ Agree
- ☐ Strongly agree

**I feel prepared to identify patients who may be at risk for food**

**insecurity.**

- Strongly
- ☐ disagree
  - ☐ Disagree
  - ☐ Agree
  - ☐ Strongly agree

**The module information is applicable to my practice.**

- Strongly
- ☐ disagree
  - ☐ Disagree
  - ☐ Agree
  - ☐ Strongly agree

**I feel comfortable speaking to my patients about their household's food intake and access.**

- Strongly
- ☐ disagree
  - ☐ Disagree
  - ☐ Agree
  - ☐ Strongly agree

**I feel confident that I have the resources to refer at-risk patients to people and/or organizations that can provide assistance.**

- Strongly
- ☐ disagree
  - ☐ Disagree
  - ☐ Agree
  - ☐ Strongly agree

What is one thing you found useful about this module?

---

What is one thing you would change about this module?

Would you recommend this training to your colleagues? If yes, colleagues in which department(s) and field(s)?

### Additional Materials and Follow Up

**What type(s) of additional materials and/or follow up would most help you incorporate food security screening into your practice?**

☐ One-page summary of the module for providers (risk factors, screening guide, general resources)

☐ One-page information sheet encouraging patients to speak with providers about food access/intake

☐ Periodic e-mails from IHCD reinforcing themes, strategies and resources discussed today

☐ Periodic text messages

☐ None of the

☐ above

☐ Other...
