Steve Dominguez directs the Information Systems Support group, which manages the information technology of the Research and Technology Management (RTM) division. He and his team develop information tools, metrics, and database solutions that enable RTM to best support the activities of Memorial Sloan Kettering's research community.

Steve joined Memorial Sloan Kettering in 1978 and has spent 25 years in research administration. During his tenure, he has served as Systems Manager, Department Manager, and Grants Coordinator. He received a bachelor's degree in communications and media studies from Hunter College.
