Pharmacology Retreat 2003

[Education & Training](#)

The annual [Pharmacology Graduate Program Retreat](#) is held each spring at a site outside of New York City and features talks by 3rd and 5th year graduate students and a poster session for other students and postdocs. The [2003 retreat](#) was held on April 11-12 at the [Harrison Conference Center](#) in Glen Cove, NY. Members of the Tan Lab presented their chemical biology research on diversity-oriented synthesis and rational drug design.
