Pharmacology Retreat 2004

[Education & Training](#)

The annual [Pharmacology Graduate Program Retreat](#) is held each spring at a site outside of New York City and features talks by 3rd and 5th year graduate students and a poster session for other students and postdocs. The [2004 retreat](#) was held on March 4-5 at [Arden House](#) in Harriman, NY. [Justin Potuzak](#) presented a talk on the diversity-oriented synthesis of [spiroketal libraries](#) for use in chemical biology and drug discovery research.
