Pharmacology Retreat 2006

[Education & Training](#)

The annual [Pharmacology Graduate Program Retreat](#) is held each spring at a site outside of New York City and features talks by 3rd and 5th year graduate students and a poster session for other students and postdocs. The [2006 retreat](#) was held on May 19-20 at the [Mohonk Mountain House](#) in New Paltz, NY.

[Justin Potuzak](#) won the award for best talk with his presentation on the diversity-oriented synthesis of [spiroketal libraries](#) for use in chemical biology and drug discovery research.
