Start Year

2002

End Year

2005

Lecturer, 2005-present
Department of Chemistry
Towson University

Goodwin Postdoctoral Fellow, 2003–2004

PhD, University of Pennsylvania, 2002

ScB, Brown University, 1996

- 3) Shang, S.; Iwadare, H.; Macks, D. E.; Ambrosini, L. M.; Tan, D. S.* "A unified synthetic approach to polyketides having both skeletal and stereochemical diversity." *Org. Lett.* 2007, 9, 1895-1898.
