Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Kevin J. Curran discloses the following relationships and financial interests:

Atara Biotherapeutics

Professional Services and Activities

Canaccord Genuity Inc.

Professional Services and Activities

Gerson Lehrman Group

Professional Services and Activities

Guidepoint Global Advisors

Professional Services and Activities

Momentum Acquisitions

Professional Services and Activities

Novartis

Professional Services and Activities

Turn Biotechnologies, Inc.

Equity; Professional Services and Activities

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.
