About Me

What I Do at MSK

- Chief, Dental Service

Get To Know Me

I am a maxillofacial prosthodontist/dental oncologist with more than 25 years of experience at Memorial Sloan Kettering Cancer Center (MSK). I am an expert in creating prostheses to rehabilitate patients with defects or deficits of the face, jaws, and surrounding soft tissues, whether they are acquired as a result of cancer surgery or traumatic injuries, or from alterations in growth and development or congenital birth defects.

I am Chief of the Dental Service at MSK, and am proud to participate in the premier training programs in Maxillofacial Prosthetics and Dental Oncology in the country.

Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report (“disclose”) the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Joseph M. Huryn discloses the following relationships and financial interests:

No disclosures meeting criteria for time period

If you’re a patient at MSK and would like more information about your doctor’s external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK’s COI policies [here](#). For questions regarding MSK’s COI-related policies and procedures, email MSK’s Compliance Office at ecoi@mskcc.org.
