About Me

What I Do at MSK

- Chief, Gynecology Service
- Founder's Chair

Get To Know Me

As Chief of the Gynecologic Service at Memorial Sloan Kettering Cancer Center (MSK), I lead a team of 15 gynecologic surgeons that performs more than 3,000 gynecologic procedures each year. This includes surgical intervention for:

- Approximately 600 new cases of [uterine \(endometrial\) cancer](#)
- 500 new cases of [ovarian cancer](#)
- 100 cases of [cervical cancer](#), and
- 75 cases of [vulvar cancer](#) annually

Our group of surgeons is highly collaborative in nature and meets weekly to discuss care strategies for all complex and challenging [gynecologic cancer](#) cases at MSK. We draw on the expertise of our gynecologic disease management team at large to provide the care that will get our patients the best possible outcomes.

Fiduciary Role / Position

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.
