# About Me

## What I Do at MSK

- Attending Physician

## Get To Know Me

I am a board-certified medical oncologist and a member of the Lymphoma Service at Memorial Sloan Kettering Cancer Center. My colleagues and I work to ensure a world-class collaborative environment, bringing medical expertise, access to cutting-edge clinical research, and specialized cancer care to our patients.

Over the last two decades, I have specialized in the care of patients with Hodgkin lymphoma and non-Hodgkin lymphoma (NHL). During this time, I have served in many leadership positions at MSK, including Clinical Director of the Lymphoma Service, Chief of our Basking Ridge site, Acting Chief of the Lymphoma Service, and Medical Director of the David H. Koch Center for Cancer Care.

## Disclosures

Doctors and faculty members often work with pharmaceutical, device, biotechnology, and life sciences companies, and other organizations outside of MSK, to find safe and effective cancer treatments, to improve patient care, and to educate the health care community.

MSK requires doctors and faculty members to report ("disclose") the relationships and financial interests they have with external entities. As a commitment to transparency with our community, we make that information available to the public.

Paul A. Hamlin discloses the following relationships and financial interests:

Calithera

Professional Services and Activities

If you're a patient at MSK and would like more information about your doctor's external relationships, please talk with your doctor.

The information published here is for a specific annual disclosure period. There may be differences between information on this and other public sites as a result of different reporting periods and/or the various ways relationships and financial interests are categorized by organizations that publish such data.

---

This page and data include information for a specific MSK annual disclosure period (January 1, 2022 through disclosure submission in spring 2023). This data reflects interests that may or may not still exist. This data is updated annually.

Learn more about MSK's COI policies here. For questions regarding MSK's COI-related policies and procedures, email MSK's Compliance Office at ecoi@mskcc.org.
