## Our Specialized Teams. Designed Just for You.

At Memorial Sloan Kettering, our doctors, nurses, and specialists work as one team to coordinate the best possible care with consideration for your preferences. Having representatives of many different disciplines involved in your care ensures that you will receive the best possible treatment for your specific needs. Our experts have dedicated their lives to cancer and are experts in their respective fields, treating the most common to the most rare cases. Paired with access to cutting edge treatments and the latest in research science, our care teams will make sure that your needs are met. Because we know we're not just treating your cancer — we're treating you.
